We are the deliverers of nature's finest nuts and dried fruits. What makes us special is our location, as we source most of our nuts and fruits from Turkey which is one of the largest growers of widely consumed nuts and dried fruits in the world. Turkey is not only the largest global producer of hazelnuts, dried apricots, dried figs, but also one of the largest producers of dried raisins and pistachios. Our local expertise and direct relationships with growers enable us to have a significant advantage over competitors in terms of price and quality of our products. As LiST Nuts we care for your health and well-being, and keep working for your satisfaction.

We are the deliverers of nature's finest nuts and dried fruits. What makes us special is our location, as we source most of our nuts and fruits from Turkey which is one of the largest growers of widely consumed nuts and dried fruits in the world. Turkey is not only the largest global producer of hazelnuts, dried apricots, dried figs, but also one of the largest producers of dried raisins and pistachios. Our local expertise and direct relationships with growers enable us to have a significant advantage over competitors in terms of price and quality of our products. As List Nuts we care for your health and well-being, and keep working for your satisfaction.
